

Dean Drummond

CONTROLLERSHIP AND ADVISORY SERVICES

Dean Drummond is a partner in the Firm's Advisory and Consulting group and a member of the Controllship Advisory Services practice. He has over 15 years of experience providing accounting and strategic financial solutions to publicly and privately held companies.

Mr. Drummond's experience includes complex debt and equity transactions, revenue recognition, complex GAAP and financial reporting and internal controls, design and implementation of internal controls and processes, and advising on M&A transactions.

Mr. Drummond earned his Bachelor of Administration in Accounting from the University of Southern California and is a Certified Public Accountant (CPA) licensed in the state of New Jersey, California, and the Commonwealth of Massachusetts.

His previous roles include leading technology and life science practices in the Boston market. He also served as a managing director of a Top 7 accounting firm and as a Partner at a Top 25 accounting firm.
